Training for Equipping and Networking Young Leaders

The project for Equipping and Networking Young Leaders started in 2019. This year the second generation graduated the training. Last year we faced a lot of challenges with the pandemic, but thank God we overcome them and we continued our work. Seven young leaders started the journey, five completed it. Please pray for these leaders to continue to develop their potential for God's kingdom and for the Royal Rangers as a tool in it.

The summer has ended. It has been a long summer for me and my family, and quite a fruitful one. Few weeks after the summer camp I traveled to Bitola where we started new outpost together with my dear friend Vladimir and the Young leader Anita. The group is still very small, but we pray and we know that it will grow and it will be a blessing for everyone involved and for the church in Bitola as well. Vlatko is leading the outpost there and I am still supporting him until he is ready to take it on his own.

Two days from today, when I am writing this letter we will have a seminar in one of the key churches in eastern Macedonia, a town named Stip. Six potential leaders will attend the course where I will be teaching about the Fundamentals of the Royal Rangers. Two churches are very close to starting a new outpost in this area, I hope and I pray that this seminar will be the trigger for them to start!

The month of October is usually reserved for an adventure! This year from 8th to 10th of October we will have for the fifth time the traditional Alpine Hike on Kozuf Mountain. In the past years this was one of the rear alpinist event where people from Albania, Serbia and Bosnia and Hercegovina would join, but this year because of Covid 19 protocols they will not be able to. Nevertheless, we are expecting to have extraordinary time! We will learn and practice rock climbing and descending and we will hike around 40 kilometers in one day!

After the Alpine Hike in the middle of October we will restart the Outpost meetings in Gevgelija. At the moment I am restructuring the team. We have new potential kids who are willing to join, but I don't have enough leaders willing to serve. Please pray for new people who will be on fire to serve God and RR.

My wife Katerina is writing the Master Thesis in Political Science, and hopefully by the end of October, or early November she has to graduate. On the 1st of September our daughter Hilda turned 3 years. We had a big celebration together with our friends. And from who weeks ago Jakov, our son is visiting and enjoying the new kindergarten. Thank you for your prayers and your support!

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” (Jeremiah 29:11)
